***ETHNICITY**

Ethnic Minority information is optional and failure to provide it will in no way affect your membership status, rights, or benefits in NEA, UEA or any of their affiliates. This information will be kept confidential.

****CHILDREN AT RISK FOUNDATION (CARF)**

A voluntary contribution to the Children at Risk Foundation of \$1.00 is suggested. Donations will be collected through payroll deduction. CARF is a non-profit foundation for the benefit of children at risk for failure in school. The Foundation creates partnerships whose aim is to improve education, health, and opportunities of at-risk students. CARF provides scholarships to students who show courage and determination to graduate in the face of tragedy and personal challenges. The Foundation seeks good students and adults who have demonstrated experience and dedication to serving disadvantaged and minority communities, and other programs.

U-PAC AND Local PAC

U-PAC and Local PAC funds are used to help elect friends of education at the state and local levels.

CAPITOL CLUB

Capitol Club members contribute at least \$100.00 annually to help elect public education-friendly candidates to office, with at least \$70.00 being designated to U-PAC. Members receive the exclusive Capitol Club lapel pin, an invitation to a special legislative reception, and early announcements about events that will benefit you as a politically active educator.

NEA-FCPE

The National Education Association Fund for Children and Public Education collects voluntary contributions from Association members and uses those contributions for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal office. Only U.S. citizens or lawful permanent residents may contribute to the NEA Fund. Contributions to The NEA Fund for Children and Public Education are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Although The NEA Fund for Children and Public Education requests an annual contribution of \$15, this is only a suggestion. A member may contribute more or less than the suggested amount, or may contribute nothing at all, without it affecting his or her membership status, rights, or benefits in NEA or any of its affiliates.

Contributions or gifts to The NEA Fund for Children and Public Education are not deductible as charitable contributions for federal income tax purposes.

Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation, and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year.

Federal law prohibits The NEA Fund for Children and Public Education from receiving donations from persons other than members of NEA and its affiliates, and their immediate families. All donations from persons other than members of NEA and its affiliates, and their immediate families, will be returned forthwith.
